

How To Apply

The deadline to apply for the 2018 ND Innovate Recovery Competition is Friday, May 25 at noon CST. Applications will not be accepted past noon on May 25, 2018.

The application form is a [fillable PDF](#). If this presents a barrier in applying for the innovation challenge please contact the Innovate Recovery Competition team at NDInnovateRecoveryCompetition@gmail.com for a Microsoft Word version of the application. Handwritten applications will not be accepted.

Once you've started the application you can save the PDF and continue to fill in information.

Selection Process and Timeline

The deadline to apply for the 2018 ND Innovate Recovery Competition is Friday, May 25 at noon CST. Applications will not be accepted past noon on May 25, 2018.

Completed applications can be submitted to NDInnovateRecoveryCompetition@gmail.com.

Completed applications include:

1. Completed application form.
2. Total project budget in an Excel document.

Initial Review: The Innovate Recovery Competition team will conduct an initial review of applications and select finalists based on the eligibility and selection criteria. Applicants will be notified approximately June 15, 2018 if your application is moving forward.

Finalist Review: If selected as a finalist, you may be asked to provide additional follow-up material by mid-July 2018. Brief face-to-face interviews will be conducted with finalists in August 2018. An independent, objective review of finalists will be conducted by a cross-section of experienced providers, subject matter experts and funding partners.

Award recipients will be notified of their selection status by September 3, 2018.

It is important to the ND Office of Recovery Reinvented that the application process is fair and transparent. If any individual reviewing applications has a conflict of interest with an organization being considered they will not participate in any of the review or selection process for the 2018 Competition.

Please Note: Selected winner(s) will be required to present their solution at the 2018 Recovery Reinvented event on September 5, 2018 at the Fargo Civic Center. Additionally, winner(s) will be required to present on their outcomes and success at the 2019 Recovery Reinvented conference.
